

Limited Lifetime Warranty

New PIPEFUSION built FLOATING PONTOONS carry a 25-year conditional warranty against leakage. The 25-year warranty period shall begin as at the date of purchase of the FLOATING DOCK PONTOON.

The material below contains warranty information. For the warranty to apply, you must complete and return the warranty section at www.nydock.com, within thirty (30) days of purchase.

PIPEFUSION Services Inc. warrants all PIPEFUSION built FLOATING DOCK PONTOONS to be free of defects in their material and workmanship such that under normal use they will not leak for the period of the warranty. Normal use is defined as being kept or placed and **floating** in fresh or salt water. For greater clarity, normal use does not include situations wherein the pontoons come in contact with the ground or lake bottom or if the pontoons are stored on a hard surface. This warranty applies only to FLOATING DOCK PONTOONS and excludes other dock components and options which may carry their own manufacturer's warranties, in which case those warranties shall apply. This warranty is void where the cause of any defect is the misuse, negligence, or intentional act of any person other than PIPEFUSION Services Inc. This warranty is valid only in the United States and Canada.

No other express warranty or guarantee, except as mentioned above, given by any person or entity with respect to PIPEFUSION products shall bind PIPEFUSION Services Inc. This warranty supersedes all other warranties express or implied. NO IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLY TO PIPEFUSION PRODUCTS AND ARE HEREBY DISCLAIMED.

In the event of a possible warranty claim, the defective products must be returned to PIPEFUSION Services Inc. If proven to be defective upon inspection, they will be exchanged for new or comparable rebuilt products, or they will be repaired, as determined by PIPEFUSION Services Inc. in its sole and absolute discretion, and shipped back to the original purchaser. All shipping costs are the responsibility of the customer. Warranty replacement shall not extend the original warranty period of the defective PIPEFUSION products. All replacements or repairs must be done by PIPEFUSION Services Inc.

The customer's remedies with respect to defective PIPEFUSION products shall be exclusively limited to the repair or replacement remedy as above provided and in no event shall PIPEFUSION Services Inc. be liable for loss of profits, revenues, savings, inconvenience, associated costs, expense for equipment or service, use of capital, facilities, services, storage charges, damage to property, or any other special, incidental or consequential damages caused by the use or misuse of, or inability to use, the PIPEFUSION product, regardless of the legal theory on which the claim is based, and even if PIPEFUSION Services Inc. has been advised of such damages. In no event shall recovery of any kind against PIPEFUSION Services Inc. be greater in amount than the purchase price of the PIPEFUSION product sold by PIPEFUSION Services Inc. Without limiting the foregoing, the purchaser assumes all risk and liability for loss, damage or injury to persons, animals or property arising out of use or misuse of, or inability to use, the PIPEFUSION product. PIPEFUSION Services Inc. is not liable for third party claims. This limited warranty shall not extend to anyone other than the original purchaser of the PIPEFUSION product. In no event shall PIPEFUSION Services Inc. be liable for incidental or consequential damages to the full extent such may be disclaimed by law.

Unless otherwise noted, this warranty agreement is the only warranty agreement between the parties. This agreement states the limits and association of risk between the two parties. The purchaser hereby acknowledges understanding this warranty and agreement and is bound to the terms contained herein.
